- b) The buyer-participant of the conference who registers using the registration form available at <http://icaiscsystem.icaisc.eu/default.aspx>
- c) The entity that supports electronic payments - eCard (VISA, MC)

## 2. General information

- a) Registration is possible via registration form available at <http://icaiscsystem.icaisc.eu/default.aspx>
- b) Payments for participation in the conference are accepted in EUR converted to PLN using actual exchange rate available on the NBP website <http://www.nbp.pl>
- c) Principles of exempting VAT are in accordance with Art. 43, paragraph 1, item 31 of The Goods and Services Tax Act
- d) VAT invoices for participation in the conference will be passed by the registration desk of the conference or delivered by post
- e) VAT invoices will be issued in PLN, with the equivalent in Euro, with the booking date of the payment

## 3. Support of the registration process

- a) The registration process consists of the following steps:
  - i. creating a profile - for a new participant, or logging in - for the participant who has previously created a profile
  - ii. acceptance of your choice along with the acceptance of these Rules and regulations
  - iii. payment

## 4. Conference payments

- a) Electronic payment
  - i. Payment card payments are supported by eCard service (Debit Card Visa, Credit Card Visa, Business Card Visa, Visa Electron, Debit Card MasterCard, Credit Card MasterCard, Business Card MasterCard, Maestro Card)
  - ii. eCard systems of payment card authorization guarantee the highest level of security to the customers of online shops
  - iii. High security for card transactions is provided by the strong security transactions - 3D Secure (Verified by VISA and MasterCard SecureCode), 256-bit SSL (Secure Sockets Layer)
  - iv. The system also ensures high security thanks to a solution in which the payment card numbers will never go to the internet shop and they are never stored. The customer has the guarantee that their payment card number is known only to himself and to his bank
- b) Transfers
  - i. The data required to make payments by bank transfer:  
PL 51 1020 1664 0000 3102 0129 2887
